Verhaegen Hall, Room 314
3634 Lindell Blvd
St. Louis, MO 63108

Notes from the Steering Committee and Sub-Committees

Mentoring Committee:

Chair, Dr. Jim Korn, Psychology

This committee wants to present services to faculty as helpful colleagues. The committee and Center will sponsor opportunities for developing mentoring relationships at upcoming social functions. In addition, there was a session in October for new faculty relating to and discussing issues regarding balancing teaching, research and service expectations of faculty.
