Saint Louis University Student Organization **Event Planning Checklist**

Successful event planning consists of several steps: brainstorming, pre-planning and post evaluation. Not every event will require every item on this checklist, but it's always good to get in the habit of walking through each one just to make sure.

Post- Event Planning

While this section is called Post-Event, not everything happens after the event. This is the place to determine what needs to happen in preparation for post-event.

Confirm all bills have been paid in full. (After the event)

Create satisfaction survey (Check out the Sample Event Survey PDF on the resources website)

Send thank you notes

Complete the Event Evaluation/Assessment Form found on the resources page of the website.
