

# Colons and Semicolons

---

## Semicolons...

1. *Complete sentence; complete sentence.*

Connect complete sentences that are closely related.

Strawberry French toast is my favorite breakfast food; I would eat it every day if that were possible.

2. *cludes a comma; list item 2, which may also include a comma; and list item 3, which may also include a comma.*

Separate items in a list when any individual list items contain a comma.

Welcoming customers to the Pancake Cafe were Edna, the new head waitress; Sam, the host; Josie, the cashier; and Larry, a regular customer.

*Common mistake* Using a semicolon to join a complete sentence to an incomplete sentence.

*Incorrect.* Since the diner was packed with waiting customers [incomplete sent.]; Edna handed out free cups of coffee to keep everyone happy [complete sent.].

*Correct.* The diner was packed with waiting customers [complete sent.]; Edna handed out free cups of coffee to keep everyone happy [complete sent.].

## Colons...

1. *Complete sentence: list of items or elaboration.*

comes after the colon may be either a complete sentence or an incomplete sentence.

We still need the following ingredients for a smoothie: blueberries, yogurt, and pineapple.

2. Follow the salutation of a business letter.

Dear Mr. Bacon:

3. Join titles to subtitles.

Mmm Breakfast: Why Bacon Makes Life Better

- 4.

ordering drove Edn

-

*Common mistake* Using a colon after an incomplete sentence.

*Incorrect*

*Correct*

*Tip*

place. If *namely* makes sense when you re-read the sentence, a colon will work.

There was one obvious place to meet, *namely*, the pancake house.

There was one obvious place to meet: the pancake house.

*namely* in its
