****SLIDE DECK REQUIREMENT**
If you are presenting at the CME activity, ***please enter your disclosure information into your slide deck on the second slide along with relevant disclosure information of a spouse/partner.***

The order of your slide deck should be:

First Slide: Title Page with Author(s)/Presenter(s)
Second Slide: Disclosure Information for yourself/spouse/partner (relationship for your spouse/partner is viewed as your own)

> If you do not have a relevant financial relationship then you would simply state, "*I have no relevant financial relationships to disclose*".
>
> If you do have a relevant financial relationship, you need to state the relationship and the company (not the product). Example: "*I am a consultant with xxx company and I have received research grant funding from xxx*."
>
> If you are intending on discussing a product or device that is not FDA approved for the use under discussion or if it is still under investigation you need to also put that information on slide two.
> Example: "*I intend to discuss off-label/investigative uses of the following commercial product(s)/device(s)*:"

Note: For printing/sharing purposes, if possible, we ask that the slide deck you forward to us before the course contain a simple **white background**. For your actual live presentation, we encourage you to use colors and graphics as you desire.
