*Academic Programs*

€ UAS Minors (Operations & Technology) – were endorsed at the May CADD and approved by the VPAA.

*Academic Policy Updates*

Major Change – the University is replacing Intra-University Transfer language with change major language. A new change major application form will replace the past Intra-University Transfer form.

University-wide Academic Program Review – The University APR pilot from the 2014-2015 academic year concluded in May 2015. The APR process has been initiated for this academic year. Schedules, timelines and associated documents have been posted

Most of the students who come to the P & L Program take a collection of the  
courses offered in the certificate proposal packages that merge the courses into a  
coherent academic program.  
The success of the student program today depends on the quality of the pre-law  
students.  
Some students will continue on for a degree in Philosophy.  
€ There are no new costs or resources associated with the certificate.

The Pre-Law Program and the Pre-Professional Health  
Studies Program will merge into one central office housing the pre-professional program  
- Office of Pre-Professional Studies (PPS) directed by Dr. Jeanne Melton.

\_\_\_\_\_ – Jennifer Scott was unable to attend today – will move  
to October committee meeting.

\_\_\_\_\_ – Steve Sanchez and Pam Wald  
(committee received handouts of ppt)
