# **STEP 6 (part 1)**:

Complete the required information for your SLU learner profile.

NOTE: SLU employees and students should list a Banner ID number (even though the question is not mandatory) and modified email address. Including these items will ensure the link with training records and the eIRB system (proof of training is mandatory on the IRB application).

Community partners or other users taking the SLU CITI training as instructed do not need to list a Banner ID number or SLU email address.

Select: "NO, I have NOT completed the Basic Course in the Protection of Human Research Subjects in the past. This is the first time using the CITI Program at this institution. I need to complete the Basic Course."<sup>\*</sup>

When finished, click "Next"

External Collaborator: This course is only for non-SLU collaborators, such as community partners (not SLU faculty, staff or students), who are assisting on a SLU research project and have been instructed to take this course. Those who routinely partner on SLU research should select either the Biomedical or Social/Behavioral Research basic courses instead of this course.

# STEP 7 (part 3):

Select the course that relates to you/ your research.

When finished, click "Next".

NOTE: In order to pass the course, you must satisfactorily complete all quizzes (80% passing grade).
