Saint Louis University and YouGov surveyed 950 likely Missouri voters from July 19 { July 29 about current political issues, the COVID-19 pandemic, and education policy in Missouri. The following pages present results for most survey questions. The margin of error for survey results for the full sample is 4.18%. Margins of error for questions asked to subsamples are listed below. Original data and analyses from the SLU Poll Directors are available at <http://www.slu.edu/poll>.

### Funding and Support

The Saint Louis University PRiME Center provided the majority of funding for the SLU/YouGov Poll. The origins of the SLU/YouGov Poll lie in an internal Big Ideas competition to define university-wide strategic research priorities sponsored by the Saint Louis University Research Institute. The Big Ideas competition provides funding to research initiatives that demonstrate broad faculty engagement, strong leadership and compelling research plans.

Recently, Governor Mike Parson signed into law a bill that invalidates federal gun control laws. The new law also prohibits Missouri state and local officials from enforcing federal gun control laws, imposing \$50,000 fines for state and local officials who knowingly enforce federal gun control laws instead of this new state law. How do you feel about this Missouri state law?
